**1**
I look
They look
I see

I step
You flee
We go

I know
I bow
You leave

**2**
We stay
He goes
I pray

She goes
We go
He shouts

**3**
They hear
We split
I cross

You tear
You join
She joins

**4**
I weep
I leave
He nods

She bleeds
They cry
They will

**5**
They fight
You part
I kneel

I sigh
You talk
You dare

**6**
You try
I try
They die

They smile
We smile
I shake

**7**
I break
We break
You fall

I go
I wake
We do

**8**
We have
I share
We jump

I miss
I miss
I wait

Speak up
Tear up
Shine on

*[end of whisper section]*

**9**
Breathe
Breathe
Breathe

**10**
We land
Oh yes
No one

Can we
Can they
Can she

I see
I see
You stare

**11**
You know
She says
I hope

We cross
They choose
You fake

**12**
I bleed
How long
We go

For good
We beg
Begin

**13**
You know
They will
We will

We move
They choose
We live

No land
No hope
No fear

**14**
They need
They meet
I stop

Forget
For good
For him

I get
I see
I see

*[repeat mantra section 9-14 once dome open]*
